Get Fit and Stay Fit at the Neighborhood Club in 2022!

As we wind down 2021 and welcome in 2022, we hope to see you at the Neighborhood Club Recreation and Wellness Center and as a participant in our programs. It is our social responsibility and core to our mission to help reduce health risks to our patrons, guests, and our staff. Safety and cleanliness have always been a top priority for the Neighborhood Club...and this will continue to be a major emphasis.
