Neighborhood Club programs utilizing indoor facilities in the Grosse Pointe Public School System:

The Wayne County Health Department has issued a mask mandate for all schools and daycare centers. This makes masks mandatory for all students, staff, employees and visitors at public, private and parochial educational setting throughout Wayne County. This includes the Grosse Pointe Public School System. Everyone, including athletes, coaches and parents, entering the building must wear a mask regardless of their vaccination status. This is subject to change in accordance to the Wayne County Health Department and the Grosse Pointe Public School System.
